

COMPANY PROFILE

Storm EduGo Consulting India Pvt. Ltd. is one of India's most trusted and leading overseas education consultancy firms, with its headquarters located in Gandhinagar, Gujarat. Established over two decades ago, Storm EduGo has consistently been at the forefront of shaping students' international education journeys by providing expert guidance, comprehensive support and a strong focus on student success.

Over the years, Storm EduGo has expanded its presence to multiple locations, operating branch offices across major cities in Gujarat such as Ahmedabad, Anand and Vadodara, as well as Hyderabad in Telangana. Internationally, we have established a strong base with our Adelaide office in Australia and Nepal.

Our organization is fully compliant with all regulatory and quality assurance standards and is a proud certified member of AAERI (Association of Australian Education Representatives in India) and AIRC (American International Recruitment Council). Our Director, Mr. Kalpesh Brahmhatt, also serves as an active member of AAERI's External Stakeholder & Relations Committee, bringing valuable leadership and industry expertise to the company.

With more than 10,875 successful student visas, 2,500+ university admissions and over 10,000 glorious IELTS and PTE results, Storm EduGo continues to be a symbol of trust and success. We take pride in maintaining a 100% visa success rate for Australia while expanding our partnerships with leading universities across the USA, Canada, UK, Australia and New Zealand.

GLOBAL PRESENCE

Storm EduGo operates through a robust network of offices, providing seamless services across India and beyond.

Our **headquarter in Gandhinagar, Gujarat**, is supported by regional offices in Ahmedabad, Anand, Vadodara, Surat and Hyderabad. Internationally, we have a strong foothold with our Adelaide, Australia branch and Nepal office.

With a global reach spanning multiple countries, we are ideally positioned to assist students from diverse backgrounds. Our upcoming branches in Bangladesh and Sri Lanka will further expand our footprint, making Storm EduGo a truly global brand.

TECHNOLOGY-DRIVEN INNOVATION

Storm EduGo leverages cutting-edge technology to deliver superior services. Our **custom-built CRM system** ensures efficient client management, while our **mobile app** provides students with easy access to resources, updates and progress tracking.

We have also developed a **specialized educational portal for English Language Proficiency test preparation (www.elearning.stormedugo.com)**, offering interactive learning tools, practice tests and progress analytics. These innovations not only enhance the student experience but also streamline operations, making our services faster and more efficient.

THE DRIVING FORCE BEHIND STORM EDUGO

Behind every successful visa approval, every fulfilled dream of student and every international partnership secured lies a team of passionate and highly skilled professionals. At Storm EduGo, **our people are our greatest strength**. With a workforce of **80+ dedicated staff members** spread across all our branches in India, Australia and Nepal, our team represents the perfect balance of experience, innovation and commitment to student success.

Over the last 24+ years, Storm EduGo has built not just a company but a family of professionals united by a shared mission: **to empower students to achieve their global education dreams**. Our staff includes certified counselors, experienced visa process executives, seasoned language trainers, marketing strategists, and technology innovators. Every member of our team undergoes rigorous training and continuous upskilling to ensure they remain ahead of global trends, immigration policies and evolving university admission processes.

MARKETING & COMMUNITY ENGAGEMENT

Storm EduGo believes in building meaningful connections with both students and the broader community. Our **marketing initiatives** are a blend of traditional and modern strategies, designed to maximize reach and engagement.

We organize large-scale education fairs, sponsor college events and conduct workshops to raise awareness about global education opportunities. Our active **social media presence**, with over 2000+ posts across platforms like Facebook, Instagram and LinkedIn, ensures continuous interaction with students and parents.

By investing in community events and sponsorships, such as sports events at DAIICT, Navratri Celebration at Kesariya Garba over 51,000 people visit our business stall for 9 days of Navratri Celebration and collaborations with stand-up artists, we create an approachable and relatable brand image. Additionally, our publications, including IELTS/PTE books with ISBN registrations, demonstrate our commitment to educational excellence.

#1 WHAT MAKES STORM EDUGO THE NUMBER 1 CONSULTANCY CHOICE?

NO.	Storm EduGo	Other Traditional Consultancies
1.	Unblemished & authentic legacy of 24 years in the context of handling student visas	Few successful visa stories with no assured student satisfaction data
2.	Experienced team of 80+ employees dedicated to student success	Handful employees devoid of core product training and indifferent to student success
3.	Team specializing in profile assessment & precise admission eligibility criteria	No certainty of being guided as per the eligibility criteria for admissions
4.	360° coaching services across online, offline & hybrid learning modes	More than 75% agencies do not have sound coaching infrastructure and offerings
5.	Dedicated facility for mock tests, allowing students to gauge their true exam readiness	No dedicated facility for mock tests and periodic evaluation for student performance
6.	Dedicated case advisors and relationship managers (Academic & Visa) for 24×7 assistance	Devoid of such one-to-one student assistance facilities
7.	Students' application possible at any institution provided the eligibility criteria is met	Only a select few institutions represented by the agencies are suggested for admission
8.	Application lodged responsibly at 5+ institutions with timely follow-ups	Application lodged at 1-2 colleges with no accountability for admissions
9.	Expert guidance on visa interview preparation and scholarship options	Most of the agencies do not find these as important service parameters
10.	Assured assistance with steps related to finances such as tuition fee payment, Forex, GIC payment, budget planning etc.	Unclear picture on providing financial guidelines. More than 90% agencies do not provide related in-house services
11.	Transparent guidelines on documentation and student visa filing. Visa lodged in students' presence	Partial clarity on exact document requirements. Most of the times, students are not consulted while lodging the visa
12.	Professional assistance in preparing SOP & other key documents	No accountable department or departments for such key services
13.	Value added services such as education loan, forex, air ticket, travel insurance, international SIM card & accommodation available under the same roof	Traditional agencies do not cater to such wide range of value-added services
14.	Professionally conducted pre-departure events for detailed understanding on post-visa guidelines	A vast majority of agencies are not even aware of such guidelines to be shared with the students
15.	Student's family assisted with visitor visa, Spousal PR, Spousal open work permit, super visa etc.	No Further Coordination / With Students Family once the student receives the visa Approval
